

# TOASTED COCONUT WATER

Experience the difference: toasted coconut water, a new standard for refreshment.

**PRODUCT DETAILS:**

Discover the refreshing difference of toasted coconut water. Imagine the naturally sweet, hydrating goodness of coconut water, infused with a subtle, rich nuttiness that awakens your senses. This unique flavor profile comes from the carefully roasted coconuts, a traditional method that caramelizes the natural sugars and creates a truly satisfying taste experience.

**PRODUCT SPECIFIC CLAIMS:**

- No artificial flavors or colors
